

Single Strip Tumbler Ruler Item#CGRSRTUMB

- 1** Use the straight side of the ruler to cut 2 ½" strips. Several layers may be cut at one time.

- 2** Place the Tumbler shapes on the fabric strips lining up the top of the Tumblers with the top of the strip and the base of the Tumblers on the bottom of the strips.

Rotary cut along the angled sides of the Tumbler shapes. The rotary cutter will extend beyond the fabric into the circular cut-out areas. Cut nine Tumblers out of each layer of fabric with each positioning of the ruler.

- 3** Sew these Tumblers together into rows.

- 4** Then, sew the rows together to create the quilt.
